

Yu ZHU: Curriculum Vitae

Name: Yu ZHU

Address: School of Geography, Fujian Normal University (Cangshan Campus), Fuzhou, Fujian Province 350007, P. R. China.

Tel: +86-13859082438

E-mail: zhu300@fjnu.edu.cn, zhuyu61@163.com

Academic qualifications

- 1999: Ph.D in Demography, The Australian National University.
- 1985: Master of Science, East China Normal University.
- 1982: Bachelor of Science, East China Normal University.

Professional experience:

- From 11/2015: Professor and Leader for the Pillar on Internal Migration and Urbanization, Asian Demographic Research Institute, Shanghai University
- From 08/2001: Professor, School of Geography; Director, Graduate Program in Human Geography (since 03/2006); and Director, Centre for Population and Development Research (since 04/2006), Fujian Normal University, China.
- 1999-2003: Postdoctoral Fellow, Demography and Sociology Program, RSSH, The Australian National University (on leave from Fujian Normal University).
- 1995-1999: On leave for Ph.D. study at Australian National University.
- 1990-1995: Associate professor (Research), assistant research fellow, Institute of Geography, Fujian Normal University, China.
- 1989-1990: Visiting scholar, Federal Institute of Population Research, Wiesbaden, Germany.
- 1987-1989: Assistant research fellow, Institute of Geography, Fujian Normal University, China.
- 1985-1987: Teaching assistant, Institute of Population Research, East China Normal University, Shanghai, China.

Selected recent research projects:

- 2020–2023: ‘A study on the temporal and spatial processes and their mechanisms of inter- and intra-urban migration in the late-intermediate period of urbanization’, funded by NSFC of China (Principal Investigator)
- 2020–2023: ‘A study on the floating population’s residential mobility and spatial integration in large cities’, funded by NSFC of China (Co-investigator)
- 2017–2021: ‘A study on the international migration of China and countries along the lines of the Belt and Road under the Belt and Road Initiative’, funded by the Major Project Program of NSSFC of China (Principal Investigator of a sub-project)
- 2019–2021: ‘A strategic study on the stability of Huhuanyong line and the regionally balanced population development in China’, funded by the Major Project Program of NSSFC of China (Principal Investigator of a sub-project)
- 2015–2018: ‘The temporal and spatial processes and their mechanism of multi-stage migration: Case studies from Fujian Province of China’, funded by NSFC (Principal Investigator)
- 2014–2016: ‘The temporal and spatial processes and their mechanism of family migration under the perspective of multi-locational livelihood: Case studies of Fujian Province’, funded by the Specialised Research Fund for the Doctoral Program of Higher Education of China (SRFDP) (Principal Investigator)
- 2014–2017: ‘Impact of urban–rural return migration on rural development in China – With implications for Vietnam’, funded by ESRC of the United Kingdom (Co-investigator)
- 2011–2014: ‘Comparing internal migration in countries around the world: Measures, theories and policy implications’, funded by ARC of Australia (Partner Investigator)
- 2009–2011: ‘The differentiation of women migrants in the migration process and their rights issues: Case studies from Fujian Province of China’, funded by IDRC (Principal Investigator)

Selected other major professional activities:

- Vice-President, China Population Association (2018–present)

- Director, Committee on Population Geography, Geographical Society of China (2018–present)
- Member of the International Advisory Board of UN Habitat’s World Cities Report for 4 terms (2010–2011, 2012–2013, 2015, 2020)
- Member, Asian Population Association (2019–present)
- Member, Steering Committee, Commission on Population Geography, International Geographical Union (2016–present)
- Member, International Advisory Board of *Population, Space and Place* (2016–present) and *Asian Population Studies* (2016–present)
- Member, Editorial Board, *International Migration Review* (2012–present) and *Asian and Pacific Migration Journal* (2015–present)
- Chair, International Union for the Scientific Study of Population (IUSSP)’s Scientific Panel on the Impact of Internal Migration and Urbanization in Developing Countries (2010–2014)
- Chair, Asia and Pacific Migration Research Network (2007–2015)
- Member of the first International Advisory Group of the IOM Migration Research and Training Centre (2010–2011)

Selected publications from a total of more than 100

Authored Books:

1. Zhu, Yu & Lin, Liyue 2013, ‘*Liudong Renkou De Liu Qian Moshi, Quanyi Wenti He Shehui Baohu: Yi Fujian Sheng Weili (The Floating Population’s Mobility Patterns, Their Major rights and Interests Issues and Their Social Protection: The Case of Fujian Province)*’, Ocean Press, Beijing
2. Zhu, Yu; Qi, Xinhua; Wang, Guodan; Lin, Liyue & Li, Min 2012, ‘*Zhongguo De Jiudi Chengzhenhua: Lilun Yu Shizheng (China’s in situ Urbanization: Theories and Empirical Evidence)*’, Science Press, Beijing
3. Zhu, Yu 1999, ‘*New Paths to Urbanization in China: Seeking More Balanced Patterns*’, Nova Science Publishers, New York

Edited Books

1. Martin Bell, Aude Bernard, Elin Charles-Edwards & Yu Zhu (eds.) 2020, ‘*Internal Migration in the Countries of Asia A Cross-national comparison*’, Springer International Publishing, doi:10.1007/978-3-030-44010-7
2. Sherbinin, Alex de; Rahman, Atiqur; Barbieri, Alisson; Fotso, Jean-Christophe & Zhu, Yu 2009, ‘*Urban Population-Development-Environment Dynamics in the Developing World: Case Studies and Lessons Learned*’, Committee For International Cooperation in National Research in Demography, Paris
3. Zuo, Xuejin; Zhu, Yu & Wang, Guixin 2007, ‘*Zhongguo Renkou Chengshihua He Chengxiang Tongchou Fazhan (China’s Urbanization and Coordinated Urban-Rural Development)*’, Xuelin Publishing House, Shanghai

Book Chapters

1. Zhu, Yu; Xiao, Baoyu & Lin, Liyue 2015, ‘Changing spatial and temporal patterns of China’s floating population: Findings from the 2000 and 2010 censuses’ in Iredale, Robyn & Guo, Fei (eds.), *Handbook of Chinese Migration*, Edward Elgar., Cheltenham, UK and Northampton, USA: , pp. 48-70., doi:10.4337/9781783476640.00010
2. Zhu, Yu & Lin, Liyue 2014, ‘From ‘urban integration’ to ‘social integration’: Addressing women migrants’ needs and rights in Fujian Province of China’ in Truong, Thanh-Dam, Gasper, Des, Handmaker, Jeff, Bergh, Sylvia I. (eds.), *Migration, Gender and Social Justice*, Springer , Berlin Heidelberg, pp. 153-171, doi:10.1007/978-3-642-28012-1
3. Zhu, Yu; Qi, Xinhua; Shaio, Huaiyou & He, Kaijin 2009, ‘The evolution of China’s in situ urbanization and its planning and environmental implications: Case studies from Quanzhou Municipality’ in Sherbinin, Alex de, Rahman, Atiqur, Barbieri, Alisson, Fotso, Jean-Christophe & Zhu, Yu (eds.), *Urban Population-Development-Environment Dynamics in The Developing World: Case Studies and Lessons Learned*, Committee for International Cooperation in National Research in Demography, Paris, pp. 213-246
